Welcome and guidance

At Samuel Ward Academy we believe that enrichment is a right, not a privilege. Enrichment is a core part of our curriculum and this is why we are dedicating curriculum time to this.

We are delighted to introduce this year's Personal Development Enrichment Programme for Year 7 – Year 11 students. This will be a one-hour super-curricular experience per fortnight, on Wednesday period 5 in week B. We are offering an array of experiences including creative, cultural, environmental, and physical and emotional well-being activities.

All activities will be appropriate for ages 11-16 as groups will be vertical (mixed year groups). This is an excellent opportunity to try something new, and broaden your horizons. Please take your time to read through the experiences on offer.

Completion of choices

You will choose 4 enrichment options from the list. You will be allocated one of these options for April - July.

Oversubscription and undersubscription

Whilst we will try our hardest to allocate you with one of your 4 choices; if we are unable to do so we will come and see you in person to ensure you are given an enrichment option that you will enjoy. If you have been allocated one of your 4 options, you will not be able to change this during term 2 so please choose wisely.
